June 19th - Arrive to Vancouver. Canada's third-largest city, Vancouver is a cosmopolitan place with a European feel and a personality all its own. Meet up with the group at the official hotel.

June 20th - Make your way to the beautiful Grand Princess which is waiting for us at the Canada Place pier. Set sail in the late afternoon.

June 21st - Enjoy a day at sea

June 22nd - Port stop in Ketchikan. The day is at your leisure. Ketchikan is known as Alaska's "First City" because it's the first major community travelers come to as they journey north.

June 23rd - Port stop in Juneau. The day is at your leisure. Today Juneau is famous not only for gold and government but also for its breathtakingly beautiful glaciers and stunning views of both water and mountains.

June 24th - Port stop in Skagway. The day is at your leisure. Skagway was the gateway to the gold fields for the thousands who flocked to Alaska and the Yukon with the hope of striking it rich.

June 25th - Scenic cruising of Glacier Bay National Park. For many people, the highlight of an Alaskan cruise is a visit to a glacier. These natural formations are best viewed from the decks of a cruise ship or your own balcony, as you can get close to the action. When it comes to the best viewing opportunities in Alaska, Glacier Bay National Park frequently ranks among the best for its natural scenery, wildlife spotting, and the unique learning opportunities available to travelers visiting on a cruise ship.

June 26th - Scenic viewing of College Fjord. Harvard Glacier is the largest of the College Fjord Alaskan glaciers at its northwestern head, and it is the second-largest tidewater glacier in Prince William Sound.

June 27th - Arrival in Whitter. We will disembark the ship and board the Wilderness Express rail for our journey north. Direct-to-the-Wilderness rail service provides a fabulous beginning to an incredible journey, with magnificent scenery and friendly Princess service all along the way. You'll arrive refreshed for your very first night on land in Alaska at the Denali Princess Wilderness Lodge.

June 28th - This morning, take an educational tour into Denali National Park. The views along the route from the Denali Lodge to our Mt. McKinley Princess Wilderness Lodge aboard our motorcoach are truly sensational. But the main attraction is the 20,310-foot mountain itself, visible from nearly anywhere on the lodge's property.

June 29th - Sit and gaze at the majesty of "The Great One" from the lodge's treehouse designed and built by Pete Nelson of Animal Planet's Treehouse Masters. The morning is free to either relax at the lodge or choose one of the many optional excursions. Continue by motorcoach to Anchorage for the night.

June 30th - Depart Anchorage back home!
